Fancy a Hog Roast?

FROM THE HEART OF ENGLAND'S FAVOURITE MEAT ROASTING COMPANY

Everyone loves the mouth-watering aroma and spectacle of a freshly roasted whole hog, lamb or huge side of beef being 'pulled' or carved and served. It's a real rustic alternative to more formal catering and perfect for weddings, celebrations, events and all other special occasions.

We are full time catering professionals with a hotel and restaurant background and are specialists in Hog, Ox, Lamb and other meat roasting. We roast in our unique purpose built ovens, including Hercules our huge mobile pink pig oven, each of which feature a state of the art convective cooking method. This is far superior to the spit roast method and allows us to roast at more even cooking temperatures for a longer periods of time, whilst still retaining the food's natural juices. The result is that our pork is succulent with masses of crackling and so tender, that we 'pull' it and do not carve it. Our specially fabricated roasting trays with handles enable us to carry the cooked hogs in doors - even upstairs and down narrow pathways to gardens, etc.

Other Meat Roasts

Our unique 'Baron of Beef' Ox Roast Speciality, Lamb, Chicken, Venison, Wild Boar, - in fact, if it can be roasted, we'll roast it!

We are a very experienced, family owned company with a restaurant and catering background and offer a hassle free, professional and friendly service - and great value for money with our competitive pricing structure.

We are based in Leicestershire in the Heart of England. This enables us to offer our standard outside catering services throughout the Midlands and for the larger events, virtually anywhere in the Country.
