## What we are doing to keep our guests Covid-safe

In response to Coronavirus (COVID-19), additional safety and sanitation measures are currently in effect:

- We have upgraded our cleaning schedules and frequency along with our cleaning solution to Selgiene Ultra Virucidal Disinfectant.
- The safety of guests and staff will be protected by implementing one way entry and exit systems, social distancing requirements and new housekeeping procedures. Some services and amenities have been reduced or are unavailable as a result. These include the loss of buffet breakfasts.

## COVID SAFETY AT THE QUORN GRANGE

---

- Risk assessments have been completed and new policy and procedures have been put into place to ensure a 'COVID safe' environment.
- Hand sanitisers are available on entry points and key areas around the hotel. We ask guests and staff to use these frequently. There is also hand washing guidance with these facilities.
- All non-essential items from the bedrooms such as magazines, brochures and notepads have been removed.
- The housekeeping team will pay particular attention to disinfecting hand contact areas such as light switches, TV remotes and door handles.
- Reception and service operating hours have been reduced. Please refer to the new operating hours on the right hand side. Safety screens at the reception desk have been installed.
- Contactless check-in and check-out procedures have been implemented to reduce handling of physical documents.
- Only card payments are accepted, we apologise for any inconvenience.
- In order to maintain a COVID-19 free hotel, staff will be monitored to ensure they only attend their place of work if they are in good health.
- Staff training will be provided to ensure that all employees follow the new health and safety measures.
- We are following all of the government advice to ensure a safe place to visit and enjoy.
